

Jeremy Michael Liebbe, MS, CIH, CPES

P.O. Box 1768 * Forney, Texas 75126 * jeremy@aequitasgroup.org

Professional Summary

Jeremy Liebbe holds a Master of Science in Forensic Psychology, holds a Bachelor of Arts in Police Science, and is currently completing a Doctorate of Philosophy in Psychology. He has over a decade of law enforcement investigative experience, serving as both a detective and a sergeant, with experience including supervision & training, interrogations, narcotics & gang investigations, crimes against children investigations, internal investigations, and homicide investigations. Jeremy consistently held the highest clearance rate as a full-time criminal investigator with an overall 84.7% clearance rate while averaging 201 investigations per year. He additionally has over a decade of private security experience including special events management, police liaison for special events, private investigations, and supervision & training. As a result of his expertise in complex criminal investigations and forensic mental health Jeremy has earned numerous commendations, lectured in several states, authored and co-authored over a half dozen published papers, and has provided expert testimony in over a dozen felony trials. He has personally delivered over 1,000 hours of continuing education training to law enforcement audiences and over 1,750 hours of training to private security audiences.
